Dear Hiring Manager,

I'm a recent graduate with a Bachelor of Fine Arts in Animation from the Savannah College of Art and Design. Through my education at SCAD, I have gained a strong understanding of visual development, storytelling, and professional experience.

In my most recent experience as a member of the team for the "Thank You Have A Nice Day" Animated Short, I was responsible for backgrounds, concept art, and prop design. Through remote collaboration using Google Suite, Discord, and Zoom, I was able to effectively schedule and complete all assignments for this film and two other classes within 10 weeks. Additionally, I participated in professional critiques to improve the final product.

In my experience as a member of the team for "Mouncey" Animated Short, I was responsible for animation clean up, character design, and prop design. I assisted in creating and maintaining a group schedule and the file organization system, and demonstrated flexibility and a willingness to take on assignments outside of designated responsibilities in order to meet deadlines and push the team to success.

As a Freelance Illustrator, I have successfully marketed my services through various social media platforms and have demonstrated strong communication skills by maintaining clear and consistent communication with commissioners throughout the entire illustration process.

I am highly adaptable, collaborative, and possess strong problem solving and management skills. I am confident that my skills in 2D animation clean up, backgrounds, character design, concept art, creature design, layouts, prop design, visual development, storyboarding, and proficiency in software such as After Effects, Blender, Illustrator, Photoshop, Procreate, Sketchup, Storyboard Pro, Toonboom Harmony, and ZBrush, will be a valuable asset to your team.

Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications and how I can contribute to your company. Please feel free to visit my portfolio website at <http://www.marinamorse.art/>

Sincerely,

Marina Morse
